

Thank you for donating recyclables to CReATE STUDIO. I'm Jemma, the owner, and founder of CReATE. I am passionate about creativity and reuse. I created the studio to provide opportunities for kids to connect to their creativity through the reuse of everyday items often headed for the recycling bin or landfill. Your donations (once I sort and organize them) become part of the big selection of recycled materials kids can create with.

CReATE is a mobile studio with limited storage. Due to storage limitations I am only collecting materials on this list. If you have something that is not on this list that you want to ask about, you can email me at info@createstudiofun.com

With Gratitude,
Jemma Wildermuth
