

Recycled Art Creations

Let's explore creating art with recycled materials!

Using kits provided and made up of materials from CReATE STUDIO's unique collection of recycled and crafty materials students will make weekly art projects that foster their imaginations and support their creative exploration. No art experience is necessary for this class. All materials and supplies are included.

Instructor: Jemma Wildermuth

Tools to gather for use during classes from home: Scissors, Pencil, Markers

Week 1.-Creating 3D Cityscapes

Using a cardboard base as base or backdrop kids can make miniature buildings, cars and houses to make a creative city scene.

Materials: Shoebox, Cardboard, Paper, Paint, Plastic Things, Paint Markers

Week 2.-Exploring 3D Sculptures

With Tin Foil and and recycled scraps kids create three dimensional sculptures their way on a wood block base.

Materials: Wood Blocks, Tin Foil, Paint, Glass Stones, Tacky Glue

Week 3.-Exploring Printing

Students use wood block and cardboard pieces to create multiples of their creative ideas and pick one to print on a t-shirt!

Materials: Paper, Paint, Cardboard, Trays, Rollers, Rubberbands, Pipe Cleaners, Pencils, Glue

Week 4.-Mixed Media Collages

Using a canvas base campers make collages using a variety of mediums such as paint, found objects, photographs, fabric scraps, paper pieces and more to create one-of-a-kind art pieces they'll treasure.

Materials: Canvas Board, Photo's, Mod Podge, Paper Scraps, Fabric Scraps, Found Objects (toys) Paint

Week 5.- Magazine Dream Drawings

Students choose a favorite magazine picture then cut it in half and draw the rest of the image themselves!

Materials: Magazines, Glue Sticks, Pencils, Paper

Week 6. -Yarn Sticks and Branches

Using sticks and branches students learn easy yarn and fabric wrapping techniques to turn their sticks and branches into totally unique wands or awesome conversation pieces.

Materials: Sticks and branches, yarn, fabric, ribbon

Week 7.-Still Life With Your Teddy Bear

Students bring their favorite stuffed toy camp use use as a still life model to draw and color with oil pastels.

Materials: Frame, paper, oil pastels, pencils, stuffed toys from home

Week 8. -Reuse Robots

We finish our Recycled Art series a recycled materials robot kids make from boxes, cans and other recycled everyday items.

Materials: Cardboard, Plastic think-a-ma-jigs, tin cans, machine parts, tooth pics and more

Week 9.-Egg Carton Portraits

Using egg carton pieces as 3D components kids can use to make portraits of animal characters they invent.

Materials: Egg Carton, Cardboard, Paper, Paint, fabric scraps, markers

Week 10.- Amazing Cardboard Masks

Using cardboard as a base as well as a layering material kids can create fun and funky masks to wear or display.

Materials: Cardboard, Paint, Glue
