

# Eco Art Enrichment Fun@ CReATE STUDIO!

[createstudiofun.com](http://createstudiofun.com)

CReATE offers this 7 week series of hands-on Eco Art Enrichment classes at **Enriching Hour for Pre-K Students** where they can explore weekly themed art projects and their own ideas using an array of recycled and crafty materials.

Tuesdays 12:30pm to 1:30pm  
**January 11th - February 22nd**  
\$133 for all (no make-ups) Venmo, check or cash to Jemma Wildermuth

Instructor-Jemma Wildermuth of CReATE STUDIO.

\*See reverse for weekly project themes and projects.

*Let's explore art together!*

**Week 1- 1/11- Salt Painting-** Magic happens when kids sprinkle salt on gluey paper then paint with a rainbow of watercolors.

**Week 2- 1/18-Snow People Blocks-** Using small wood blocks and sock pieces the kids will create their own wintery characters.

**Week 3- 1/25- Paper Snowflakes-** Exploring paper cutting and shapes kids will make snowflakes that are as unique as they are.

**Week 4- 2/1- Wintery Pinecone Trees-** Painting, gluing and shaking wintery snow is sure to bring smiles and fun to everyone!

**Week-5- 2/8- Paper Pizza Party-** Kids will have fun making custom pizzas with all their favorite fixin's made out of paper.

**Week 6- 2/15- Stringy Art-** Kids create dramatic effects when they simply wrap with string then paint! When dry they take remove the string and voila! A painted canvas.

**Week 7- 2/22- Making Marbling Prints-** Kids learn an old fashioned technique of making fancy Marbling prints with shaving cream and paint that they explore and create!
