

Camp CReATE Spring Break Sampler!

Camp CReATE is a speciality camp of half-day sessions during the Las Virgenes School District Spring Break week that provides open-ended creative fun for all participants. No artistic experience is necessary to dive into our creative explorations with an emphasis on reusing recycled materials.

Each daily session includes a project theme along with a period of open-ended art time allowing campers to use our wide variety of recycled and crafty materials.

All sessions take place at Agoura Hills Recreation Center.

Our half-day camps run from 9am-12pm each day.

Perfect for kids age 6 to 12. Pick the days you want to join-in and let's CReATE!

*Bring a snack for our mid-morning snack break.

Monday- **Rock Art**

Campers explore painting rocks in a variety of different ways to make rock sculptures, hide and find-rocks, games and characters for their outdoor play.

Tuesday- **Cardboard T.V.**

Campers design and create their own mini t.v.'s to display scenes and stories they want to share for S.T.E.A.M discovery fun.

Wednesday- **Serious about SLIME**

Campers enjoy making their own slime with custom colors and add-ins to for one of a kind gooey, stretchy fun science.

Thursday- **Mason Jar Terrariums**

Campers create miniature living environments in jars with plants, dirt and various tiny treasures.

Friday- **Wooden Porcupines**

Campers learn basic wood working skills as they use hammers and nails to make their own pet porcupines.
